- Commitment
- Responsibility
- Constancy
- Autodidact
- Teamwork

Languages

SPANISH | NATIVE

ENGLISH | UPPER INTERMEDIATE

Experience

2021 - PRESENT
FULL STACK JAVASCRIPT DEVELOPER
HUMAN DECODE | San Francisco, USA
Involved in multiple projects with a strong focus on UX/UI using frameworks such as React/Next and Vue/Nuxt. I have developed high quality user interfaces for different websites that required the use of Three.js to implement custom shaders, create Vanilla JavaScript animations, animate SVGs, implement Framer Motion for complex transitions, among other tasks.

Education

2017 - 2021
INFORMATION SYSTEMS ENGINEERING
Universidad Tecnológica Nacional F.R.Ro.
